- Teach undergraduate and graduate courses in retailing, digital retailing or merchandising.
- Mentor graduate students and direct graduate student research.
- Develop an active research program that supports the curriculum.
- Obtain external funding for research.
- Develop strong partnerships that link student experiences with industry.
- Participate in department, college and university committees.

Merchandising and Digital Retailing program at University of North Texas is one of the top merchandising programs in the nation, with over 620 undergraduate students and nearly 30 graduate students majoring in the program. Its innovative degrees include the nation's first bachelor's degree in digital retailing, merchandising, retailing, home furnishings merchandising and consumer experience management. The mission of the department is to develop talent for careers in the dynamic global marketplace through innovative research, strong industry connections and diverse coursework that includes internship and study tours.

Established in 1890, UNT is a tier-one research university and one of the nation's largest public universities with nearly 38,000 students. As a catalyst for creativity, UNT fuels progress, innovation and entrepreneurship for the North Texas region and the state.

For more information, contact Jiyoung Kim at [Jiyoung.Kim@unt.edu](mailto:Jiyoung.Kim@unt.edu) or 940- 565-3344. A review of applications will begin on January 2, 2018 and remain open until the search is closed.

The University of North Texas System is firmly committed to equal opportunity and does not permit - and takes actions to prevent - discrimination, harassment (including sexual violence), and retaliation on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, family status, genetic information, citizenship or veteran status in its application and admission processes, educational programs and activities, facilities, and employment practices. The University of North Texas System immediately investigates and takes remedial action when appropriate.

The University of North Texas System also takes actions to prevent retaliation against individuals who oppose a discriminatory practice, file a charge, or testify, assist or participate in an investigative proceeding or hearing. - Earned doctorate in retailing/digital retailing, retail merchandising or aligned field at the time of appointment

- Expertise in one or more of the following: retailing, digital retailing, merchandising
- Evidence of scholarly potential
