Job Description

The College of Science and Technology at North Carolina A&T State University seeks a dynamic and innovative chairperson for the Department of Graphic Design Technology. The successful candidate is expected to have significant experience in higher education in the field of computer graphics technology and to possess a distinguished record of scholarship and research, appreciate the integration of learning, discovery and engagement. This is a 12-month administrative position with a tenure-track faculty appointment at the rank of Professor. An appointment at the Associate professor level can be considered for candidates who exhibit exceptional potential for growth. The successful candidate is also expected to have a vision for invigorating and expanding the educational, research, and service efforts of the department. Candidates are expected to exhibit a strong commitment to scholarship and excellence in the area of Computer Graphics Technology, and exhibit an open and collegial style of management and leadership. Familiarity with the ABET accreditation processes is a plus.
