Job Description

The German University in Cairo invites applications for vacancies to be filled effective October 2021 or February 2022

The Faculty of Applied Sciences and Arts enrolling 1,250 students across three design majors: Graphic, Product and Media Design. The GUC (Cairo Campus) invites highly able and motivated applicants for the following vacancy in the Graphic Design Department. Successful candidates will be expected to contribute to undergraduate and graduate teaching.

Responsibilities:

The position will focus on teaching, developing and practicing the fundamental principles of graphic design and visual communication in foundation courses: color and grid systems, layout, perception, emphasis and expression, form, and analogue techniques like drawing and sketching. Students should acquire these basic visualization techniques prior to selection of the major courses: graphic, product or

media design. The applicant should enhance the visual thinking competences of students within the foundation courses through exploring, observing and visually describing principles of nature, mechanics, construction and aesthetics.

Requirements:

- Applicants for the position of a Professor should hold preferably a PHD degree with relevant academic references in related areas.
- Applicants for the position of a Lecturer should hold a master degree or German diploma, at least 5 years of practical and 3 years of teaching experience.

Experience / Skills:

- Knowledgeable of current and future approaches within the field of design.
- Curiosity to widen the perception within the design discipline and thus create a foundation for design oriented actions and mindsets.
- Strong commitment to progressive design education principles regarding a self-organized and responsible design study.
- Understanding of the implications of Design practice within social, cultural, economic, scientific or technological contexts.
- Competence of working well with people from diverse cultural backgrounds, professional training and aesthetic sensibilities.
- Strong competences to structure and define project goals in order to foster and motivate positive experiences.
- Excellent interpersonal communication skills and writing in English, which is the teaching language.
- Good management skills, including the ability to meet deadlines, communicate and motivate effectively.
- An interest in working collaboratively within the GUC and with external partners towards the development of shared projects.

The German University in Cairo is an Egyptian Private University, established in cooperation with the German State Universities of Ulm and Stuttgart, under the patronage of the Egyptian Ministry of Higher Education, the Ministry of Science, Research and Arts, State of Baden-Wuerttemberg, Germany, and supported by the German Academic Exchange Service (DAAD), the German Embassy in Cairo, the Arab/German Chamber of Industry and Commerce (AHK), the German Federal Ministry of Education and Research, the Universities of Stuttgart, Ulm, Mannheim, and Tübingen. Situated at the ancient city of Cairo, the GUC's mission is to achieve excellence in teaching and research.
