American International University (AIU) - Kuwait is a new established university; the first design student cohort will be admitted to the university in Fall 2020. AIU will be offering American style education, degrees and majors to educate and serves the people of Kuwait as well as international students. The University provides high quality, relevant, and varied educational programs and opportunities for the intellectual, cultural, and personal growth of all members of its community. The University values its role as an educational leader that promotes individual development and improves the overall quality of life in a diverse community. It offers academic and professional programs, which lead to degrees from the associate through baccalaureate and masters.

The school of Architecture and Design will be offering degrees in Architecture, graphic design, and interior design. It is expected to offer more programs at undergraduate and graduate levels.

The Dean of the Architecture and Design School is responsible for supervising all aspects of the school, including the following:

- Full time and adjunct faculty
- All degree programs within the school and other related diploma programs.
- Course Scheduling
- Curriculum Development
- Course and Degree Program Assessment
- Website maintenance for the School
- Searches for new and replacement positions
- Budget for the School
- Promotion of Research and Scholarship
- Maintaining the Business Advisory Committee for the school
- Have experience with the American institutional accreditation system and process as well as specialized accreditation systems such as NAAB

The Dean reports to the Vice President for Academic Affairs and expected to sit on all academic meetings and other bodies as appropriate. AIU is a developing university with very dynamic feature, it is expected that the department chair will take part of the university development.

Minimum Qualifications:

- Terminal degree in a relevant academic field from a reputable university;
- Documented record of administrative leadership experience;
- Minimum of five years of teaching and research at a higher education institute;
