This is a unique opportunity to engage in cutting-edge research that blends art, technology, and cultural exploration, shaping the future of immersive storytelling. We are offering an exceptional opportunity for an individual who is passionate about urban research, local communities and discovering new sites in Singapore.

**Key Responsibilities:**

- Project coordination and organization
- Conduct thorough data collection through various research methods
- Coordinate and organize field research activities
- Ensure efficient communication and collaboration among team members
- Field Research and Location Scouting in Singapore
- Collaborate with team members to prepare and organize workshops
- Overseeing the Recording of Interviews

**Job Requirements:**

- Master's degree in a relevant field
-
