Responsibilities:

- * Instruction: Deliver 14 hours of one-on-one instruction per student throughout the semester, focusing on music and technology subjects.
- * Scheduling: Reach out to assigned students to arrange lesson times that accommodate both your schedule and the students' availability.
- * Preparation: Develop and implement lesson plans tailored to individual student needs, ensuring an engaging and effective learning experience.
- * Feedback: Provide constructive feedback and guidance to help students progress in their studies and achieve their academic goals.
- * Communication: Maintain regular communication with students and the Music and Technology department to ensure smooth coordination and address any issues that may arise.

Qualifications:

- * Education: Bachelor's degree in Music or Music Technology. Advanced degrees or specialized training is a plus.
- * Experience: Proven experience in music instruction or a related educational role, preferably with undergraduate students.
- * Skills: Strong communication and organizational skills, with the ability to tailor instruction to individual student needs and learning styles.
- * Commitment: Ability to commit to the part-time, fixed-term nature of the position from September 1st to June 1st.

Application Process: Visit www.stevens.edu/hr to apply online via the Stevens HR Jobs. Interested candidates should submit a resume, a cover letter detailing their relevant experience, and contact information for at least two professional references
