proficiency in applications such as Adobe Creative Cloud and Figma. Ideal candidates will also bring diverse perspectives and experiences that contribute to a broader understanding of design and how contemporary social and professional environments are shaping our practices and understanding of the field. Expectations include teaching studio and lecture courses; participating in innovative teaching and curriculum development; rendering service to the university, and community; career advising and mentoring students; and participating in professional organizations important to the field of design. Faculty on sabbatical can also apply.

Required Qualifications

- MFA degree in Graphic Design, New Media, Visual Communications, Animation or equivalent terminal degree.
- Demonstrated experience in any of the following areas of design: typography, graphic design, interactive design, user experience design, and 3D design.
- Teaching Experience.
- Professional Experience.
- Proficiency in Adobe Creative Cloud (Photoshop, Illustrator, After Effects), Figma.
- Experience with 3D modeling applications
- Ability to contribute in meaningful ways to the RIT Dubai's continuing commitment to cultural diversity, pluralism, and individual differences.
