mankind”.

Ranked among the top 100 universities globally by well-known ranking organisations such as Quacquarelli Symonds (QS), Times Higher Education (THE) and U.S. News & World Report, PolyU offers a wide range of world-class educational and research programmes in seven faculties (including the Faculty of Computer and Mathematical Sciences to be established on 1 January 2025) and three independent schools. PolyU has furthermore achieved remarkable results in the latest QS World University Rankings by Subject 2024 – it is ranked in the global top 20 for five subjects, is first in Hong Kong for four subjects, and is in the global top 100 for 21 subjects.

SCHOOL OF FASHION AND TEXTILES

The School of Fashion and Textiles used to be under PolyU's Faculty of Applied Science and Textiles for many years, but as of July 2022, the university established it as an independent school to meet the growing demand and explore creative possibilities. With rapid technological advancement, fashion is ever-expanding, with so many permutation and integration possibilities encompassing different aspects of society and humanities to contribute to knowledge advancement, reimagining the future, and betterment of society.

Situated in the best part of Hong Kong, PolyU offers an exciting lifestyle and ample opportunities for commerce and industry interactions through research and teaching. PolyU is a supportive and rigorous institution to pursue your academic ambitions on many fronts. For further information, please visit the School's website at <https://www.polyu.edu.hk/sft/>.

Associate Professor / Assistant Professor in Fashion Interaction Design (Ref. 241031007)

The appointee will be required to (a) teach and contribute curriculum development at undergraduate and/or postgraduate levels and supervise research students; (b) initiate, lead, and participate in research, consultancy, and other scholarly activities leading to publications in refereed journals and/or exhibitions, as well as awards of research grants; (c) undertake academic and departmental administrative duties; and (d) perform any other duties as assigned by the Dean of School or his/her delegates.

Applicants should have (a) a PhD degree in Fashion Interaction Design, Digital Fashion, Augmented and/or Virtual Reality Applications, Fashion Imaging Technology, AI-applications of Fashion Design and/or Fashion Business, Metaverse Technology, Programming Applications for Digital Retail Platforms or a related discipline; (b) sound knowledge in university teaching and research in fibre sciences, wearable technology, or other related areas in fashion design technology; (c) solid research and publication records in high-quality scholarly journals as well as promising potential in bidding for

research grants and establishing significant externally funded research programs; (d) strong commitment to excellence in teaching and research; and (e) excellent communication skills and be able to use English as the medium of instruction.

Applicants should submit their fashion design portfolios, including copies of ten samples of their artwork in a digital format with a brief description of the artwork together with the completed applications.

Preference will be given to those with strong research orientation, potential to publish in high quality scholarly journals and/or exhibitions, and a good teaching record.

Applicants for appointment at Associate Professor level should have substantial years of relevant post-qualification experience and an excellent record of relevant academic and/or research achievements. Applicants with less experience will be considered for appointment as Assistant Professor.

Conditions of Service

A highly competitive remuneration package will be offered. Initial appointment for Assistant Professor will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. An appropriate term will be provided for appointment at Associate Professor level. For general information on terms and conditions for appointment of academic staff in the University, please visit the website at <https://www.polyu.edu.hk/hro/docdrive/careers/doc/Prof.pdf>.

Application

Please submit an application through PolyU's career website (<https://jobs.polyu.edu.hk/academic>).

Consideration of applications will commence on 14 November 2024 until the position is filled.

The University's Personal Information Collection Statement for recruitment can be found at https://www.polyu.edu.hk/hro/careers/pics_for_recruitment/.

PolyU is an equal opportunity employer, dedicated to fostering an environment that embraces diversity and demonstrates inclusion of people from all backgrounds, cultures, identities and experiences where all members of the University are treated with fairness, dignity and respect. To learn more about the University's "Statement on Equal Opportunities, Diversity, and Inclusion", please visit our website at https://www.polyu.edu.hk/hro/equal_opportunities_diversity_and_inclusion/.
