imagination into impactful experiences? If so, we're looking for you!

Join the School of Art, Design and Media as a **Research Associate and Creative Producer** for a part-time, three-year journey in Singapore, where you'll collaborate with an extraordinary team of artists, creatives, and technologists. Together, we will craft high-quality, immersive experiences that inspire, captivate, and innovate.

If you are a seasoned professional or someone with fresh, bold ideas, this is your chance to make a difference in a dynamic, interdisciplinary environment.

Why Join Us?

- Be at the heart of a groundbreaking creative team that fuses research, artistry, and technology.
- Work on impactful projects with flexibility and freedom to unleash your creativity.
- Enjoy a collaborative, inclusive, and forward-thinking work culture.

Your Role

As a Research Associate and Creative Producer, you will:

- Build meaningful partnerships and grow our creative network.
- Manage press activities, craft engaging press releases, and ensure seamless dissemination.
-

Contribute to cutting-edge creative production and interdisciplinary research projects.

- Coordinate field research and scout locations to bring ideas to life.
- Effectively share and disseminate project findings and updates.

What You will Bring

- **Qualifications:** Master's Degree in a relevant field.
- **Skills:** Strong organizational skills, exceptional communication abilities, and a passion for creative exploration.
- **Mindset:** Open-minded, reliable, adaptable, and eager to collaborate in diverse environments.
- **Experience:** Background in research coordination, outreach, or creative production is highly valued.

What We Offer

- **Flexibility:** A half-time schedule tailored to support your creativity and lifestyle.
- **Opportunity:** Work on pioneering projects that challenge norms and redefine creativity.
- **Impact:** Be part of a team making meaningful contributions to the creative and technological
