The Institute for Theory and History (ITG) is seeking to fill the following position from 01.03.2026

Senior Lecturer for sound reinforcement and sound recording (w/m/d)

6 teaching hours, 11 hours per week(27,27% of full-time employment)

Your duties

- You teach the courses "Sound reinforcement", "Sound recording" and "Practical recording technology", particularly in the artistic and artistic-educational Bachelor's degree programs. The course content includes:
 - Basic training in sound reinforcement and sound recording technology, e.g. microphone technology, microphone techniques for sound reinforcement, components of sound reinforcement systems, signal, cable and connection technology, recording equipment, production techniques, recording analysis, sound carrier production
 - Overview of the history of sound carrier development, electroacoustic media, room acoustics, audio communication
 - Practical exercises with small sound systems, carrying out a simple sound production
Demonstration of the creative and design possibilities for musicians in the recording studio throughout the entire production process
- They are obliged to participate in academic self-administration

Your profile

Conditions of employment

- a domestic or equivalent foreign higher education qualification appropriate to the position
- Outstanding pedagogical and didactic aptitude

Desired qualifications

- relevant teaching experience at university level
- relevant practical experience as a sound engineer in professional music productions
- experience with live sound and audio productions

- willingness to cooperate and ability to work in a team
- very good knowledge of German (C1)

Please enclose your documents

- relevant teaching experience at university level
- Practical experience with musicians as clients (room acoustics, etc.)
- Proof of pedagogical, artistic and scientific activity
- Publication list / links
- Letter of motivation
- Pedagogical concept

Your opportunities and prospects

- Employment level: 6 teaching hours, 11 hours per week (27.27% of full-time employment)
- The salary based on 6 teaching hours per week is at least € 1257.20 gross per month (depending on age). The classification is in salary group C (this corresponds to the LD 10 functional career path of the Upper Austrian Salary Act 2001).
- Procedure in accordance with our appeal regulations
 - Pre-selection by an appointment committee
 - Application deadline: 19.10.2025 exclusively by electronic means via our job portal <https://jobs.bruckneruni.at>
 - Hearing: expected on November 17 & 27, 2025
- An appreciative environment with plenty of scope to contribute artistically, academically and administratively to the further development of ABU
- Opportunities for personal and professional development
- Workplace health promotion and other benefits
- Limited to 3 years, permanent position if evaluation is positive
